Updated as of October 17, 2017

I (“Member”) am applying for a Gold Membership in the Canon Professional Services Program (“CPS” or the “Program”) and hereby agree to the following terms and conditions (“Terms and Conditions” or “Agreement”):

1. In order to be eligible for Gold Membership, an applicant must:
 - a. Be a full-time, self-employed individual, or an employee of a professional imaging business, who has a direct role in the creation of moving or still images for third parties on a professional basis.
 - b. Be a legal resident of the 50 United States, or the District of Columbia, who is at least 18 years of age at the time of enrollment.
 - c. Have earned twenty (20) Product Points under the Program (Product Points are earned based on the eligible products you purchase. Point values for individual products are subject to change without notice).
 - d. Pay a \$100.00 annual membership fee per Term (as hereinafter defined).
2. All applications are subject to approval by Canon U.S.A., Inc. (“Canon”), in its sole discretion. Canon reserves the right to confirm that the prospective member’s application information is accurate and may require additional proof upon request. Canon may reject any applicant in its sole discretion, with or without reason. Applicants are not eligible for membership if they have been previously expelled or terminated from any current or previous Canon program including the current, and any predecessor, CPS Program.
3. Applicant hereby represents and warrants that all information submitted with their application is true and accurate. Any misrepresentation may result in immediate termination of membership with no refund of the annual membership fee.
4. If accepted into the Program, Canon will provide the benefits specific to the Gold Membership level as detailed in the Benefits Section below. If Member desires to upgrade their Program Membership level, they must reapply for such upgraded level and pay the full amount of the upgraded membership fee. There will be no credit or refund for the current membership level.
5. The initial term of enrollment in the Program is one (1) year from the date applicant accepts the Terms and Conditions and pays the membership fee (although some benefits may start 24 hours after the start of such initial term). After the initial term, the membership term is one (1) year from the expiration date of the prior term if renewed prior to the end of my prior term (the initial term and all renewal terms are collectively referred to herein as the “Term”). If there is no renewal prior to the end of the Term, then, notwithstanding this Section 5, the Term will be one (1) year from the date the member’s membership is renewed.
6. Members will keep their CPS Account information up to date, including current mailing address (and home address if it differs from Member’s mailing address), phone number (mobile and home) and email. If Member does not keep their mailing address, phone number and email address up to date, Canon is not responsible for notices not received. Member must have internet access and the required browser software to enable Member to navigate the Canon CPS website throughout the Term and to receive all notices and messages from Canon CPS.

Canon Professional Services Program Terms and Conditions: Gold Membership

7. Canon may change or otherwise modify the Program at any time by posting updated Terms and Conditions on the Canon CPS website. Should Canon terminate the Program prior to the expiration of the Term, all membership benefits will be terminated and there will be no refund of annual membership fees.
8. Member understands and agrees that failure to adhere to any of these Terms and Conditions may result in termination of Member's membership by Canon. In such event, Member will not be entitled to any refund of annual membership fees.
9. Member acknowledges that Canon makes no warranties or representations of any kind with respect to the prospects for any business relationship between Member and Canon as a result of this Agreement. Nothing in this Agreement will be deemed to create a partnership, joint venture or relationship of employment between Member and Canon.
10. This Agreement and the membership benefits afforded hereunder may not be assigned or otherwise transferred by Member, and any attempted assignment or transfer will be void.

- i. All loans of Canon equipment and related accessories (“Evaluation Equipment”) made under the Equipment Evaluation Loan benefit are subject to the following:
 1. Evaluation Equipment on the “Gold Evaluation List” will be available only to Gold Members in good standing. Gold Evaluation List contents are subject to change.

10. Canon reserves the right to recall any item of Evaluation Equipment, for any reason, at any time, upon notice.
11. Member will return the Evaluation Equipment, and all accessories accompanying such Evaluation Equipment, if any (the "Accessories"), to the address designated by Canon, in good condition, reasonable wear and tear excepted. Member agrees to protect the Evaluation Equipment against shock, impact, water damage, sand, dirt and anything else which may cause damage. Member bears all risk of loss or damage to the Evaluation Equipment while the Evaluation Equipment is in Member's possession and until receipt by Canon, including any damage caused by improper packaging of the Evaluation Equipment for its return to Canon. Member will reimburse Canon for the cost of any repairs to, or replacement of, the Evaluation Equipment and/or Accessories resulting from packaging of the Evaluation Equipment for its return to Canon.
12. Member may choose any carrier to return the Evaluation Equipment to Canon. However, Canon recommends shipping the Evaluation Equipment by rush carrier service such as Federal Express, UPS Blue/Red Label or similar carriers. All Evaluation Equipment must be packaged securely, insured, and shipped in a manner that can be tracked. Member assumes all responsibility for Evaluation Equipment shipped to Canon including, without limitation, shipping costs and liability for damage during shipping.
13. Member will carry "all risk" insurance on all Evaluation Equipment in an amount equal to the price of the Equipment as set forth in each Loan Shipping Order. Such insurance must list Canon as additional insured. Member will reimburse Canon for any loss, theft, or disappearance of Evaluation Equipment and will promptly notify Canon, and forward Canon a copy of the police report, in the event of loss, theft or disappearance of the Evaluation Equipment.
14. Member agrees to use the Evaluation Equipment in accordance with published Canon instructions.
15. In the event Member fails to return the Evaluation Equipment by the due date of the loan period, or at such other time as Canon requests its return, Canon may invoice Member for Canon's then current price for such equipment, as set forth on the Loan Receipt, and Member will pay such invoice within thirty (30) days of receipt. Failure to return Evaluation Equipment, and/or pay such invoice, may result in the suspension or termination of Member's membership and/or privileges in the Program and/or the seeking of legal or equitable relief, in Canon's sole discretion. Member will be responsible, and will reimburse

Canon for, all fees and expenses (including attorneys' fees and expenses) incurred by Canon in connection with seeking such relief.

16. Under no circumstances will Member perform any maintenance or repair on the Evaluation Equipment. If maintenance or repair on the Evaluation Equipment is necessary, Member will contact CPS immediately for further instructions.

17. Member acknowledges and agrees that the Evaluation Equipment is loaned to Member "AS IS". THERE ARE NO WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, RELATING TO THE USE OR PERFORMANCE OF THE EQUIPMENT, AND ANY AND ALL SUCH WARRANTIES ARE EXPRESSLY DISCLAIMED, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT. CANON WILL NOT BE LIABLE FOR ANY DAMAGES INCLUDING WITHOUT LIMITATION, PERSONAL INJURY, PROPERTY DAMAGE, LOST PROFIT OR OTHER DIRECT, INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING OUT OF THIS AGREEMENT, LOSS OF DATA OR THE USE OR INABILITY TO USE THE EVALUATION EQUIPMENT.

ii. Time and Frequency Restrictions

1. As a Gold member, Member may evaluate each item on the "Gold Evaluation List" once during the lifetime of Member's membership, subject to these terms and conditions.
2. Renewal of membership does not reset the frequency restriction above.

d. Service

- i. Only products listed on the CPS Gold Repair List on the CPS website, and which are entered into My CPS Products in My CPS Account (each, a "Product Eligible for Repair"), are eligible for repair under Gold membership. The CPS Gold Repair List is subject to change without notice. The Service benefits of Gold membership are subject to this subsection d.
- ii. Member must provide a correct street address on the CPS Rush Service Form for return shipment. Return shipments will be shipped via overnight carrier at no cost to Member. Next business day delivery may not be available in all areas.
- iii. Warranty and Out of Warranty Repair Service
 1. Warranty Repair Service will be performed in accordance with Canon's Limited Warranty packaged with the Product Eligible for Repair. Proof of Purchase must be included with the Product Eligible for Repair as noted on the CPS Rush Service Form. The Service benefits of Gold membership may confer greater benefits on member than the Limited Warranty for the Product Eligible for Repair. However, these Terms and Conditions will not be construed as a modification, extension or enhancement of that Limited Warranty under any circumstances.
 2. For Out of Warranty Repair Service, a repair estimate will be sent to Member for Member's approval before any repairs are performed, unless the repair estimate is under the pre-authorization amount as specified on the CPS Rush Service Form. If Member does not reply to the repair estimate within thirty (30)

days of Canon's receipt of the Product Eligible for Repair, the Product Eligible for Repair will be returned to Member unrepared. Member will be responsible for all shipping costs and risk of loss for such returned Product Eligible for Repair.

3. Product Eligible for Repair which is submitted for Warranty Repair Service without proof of Warranty eligibility may not be eligible for two (2) business day Service Turnaround Time. Service on such products will be treated as an Out of Warranty Repair.

iv. Repair Service

1. Repair Service can be obtained by calling the CPS Hotline or using the CPS Rush Service Form. The Contact Info section on the My CPS Account Page contains the CPS Hotline contact information, CPS Rush Service Form and Canon Factory Service locations. Repair Service pre-authorization is specified on the CPS Rush Service Form.
2. Should the repair require more than the amount pre-authorized on the CPS Rush Service Form, an estimate of repair will be sent for Member's approval before any work is performed. In these cases, Service Turnaround Time (as defined below) begins on the date Member approves the repair estimate. If Canon cannot reach Member within thirty (30) days, Member's product will be returned unrepared.

v. Service Turnaround Time:

1. For Warranty Repairs, Canon will repair the Product Eligible for Repair provided that Canon determines, in its reasonable discretion, to be covered by the Canon Limited Warranty. Repaired Products Eligible for Repair will be shipped by a shipping service, by the second (2nd) business day following receipt by Canon of the Product Eligible for Repair marked with a Gold CPS Rush Service label ("Service Turnaround Time").
2. Service Turnaround Time does not mean that Member will receive the repaired product within two (2) business days.
3. For Out of Warranty Repairs, the two (2) business day period will begin from the date of Canon's acceptance of Member's payment for the approved repair.
4. If more than three (3) pieces are sent for repair at one time, Service Turnaround Time for all pieces may be longer than two (2) business days.
5. Service Turnaround Time is subject to availability of parts.
6. In the event that Canon cannot meet the two (2) business day Service Turnaround Time, Canon will provide Member with Repair Coverage Loan equipment at Member's request. Repair Coverage Loan equipment ("RCL Equipment") will, in Canon's discretion, be comparable to Member's equipment being repaired. RCL equipment is subject to availability.
7. If Canon U.S.A. is not able to meet the Service Turnaround Time for repair, or is not able to provide RCL Equipment for shipment within the specified Service Turnaround Time, Member may be entitled to a \$100 repair voucher (the

“Repair Voucher”). The Repair Voucher is redeemable in accordance with the Terms and Conditions set forth below.

vi. Repair Voucher

1. Repair Vouchers may be used toward one (1) Out of Warranty Repair of any product on the CPS Gold Repair List, deemed by Canon U.S.A., in its reasonable discretion, to be repairable.
2. Repair Vouchers have an expiration date of one (1) year and can be redeemed for up to \$100.00 in repairs at Canon Factory Service Centers. If the final repair charge is less than \$100.00, the balance of the Repair Voucher is void and no refund will be issued. The Repair Voucher has no cash value, will not be replaced or reissued, and is nontransferable.
3. Repair Vouchers can be combined with the discount on parts and labor set forth in the “Repair Discount” Section below, but cannot be combined with any other benefit or offer.
4. Any attempted redemption of a Repair Voucher in violation of these Terms and Conditions will be void.

vii. Repair Discount:

1. The Gold Membership repair discount is twenty percent (20%) (the “Discount”). The Discount will be applied to Canon’s standard price for parts and labor for any Out of Warranty Repair for products on the CPS Gold Repair List, where such Out of Warranty Repair is performed by a Canon Factory Service Center on a Product Eligible for Repair deemed by Canon, in its reasonable discretion, to be repairable.
2. The Gold Membership Repair Discount is only applicable for up to ten (10) Out of Warranty Repair Service transactions per Term. Any additional repairs, beginning with the 11th occurrence, will receive expedited two (2) business day Service Turnaround Time, but will be billed at Canon’s then-current standard repair rates.
3. The Discount can be combined with the Repair Voucher described above. It cannot be combined with any other offer.

viii. Gold Membership Canon Maintenance Service (“CMS”)

1. CMS is available for up to five (5) pieces of equipment, as listed on the Products Eligible for Repair list, per Term. Any additional CMS requests, beginning with the 6th occurrence, will be considered a standard repair and will be billed at Canon’s then-current standard repair rates.
2. CMS can be requested by selecting the CMS check box on the CPS Rush Service Form or by calling the CPS Hotline.
3. Shipping charges for products which are eligible for CMS will be handled in the same manner as repair requests for Products Eligible for Repair.
4. Eligible CMS for CPS Gold members will be an 18-Point DSLR Maintenance Service, or 11-Point EF Lens Maintenance Service, each as listed below, based on Member’s Product Eligible for Repair.

Member will reimburse Canon for the cost of any repairs to, or replacement of, the RCL Equipment resulting from damage to the RCL Equipment while on loan, including any damage caused by improper packaging of the RCL Equipment for its return to Canon.
8. Member will carry "all risk" insurance on all RCL Equipment loaned to me in an amount equal to the full value of the RCL Equipment as set forth in each Loan Shipping Order. Such insurance will list Canon U.S.A., Inc. as an additional insured. Member agrees to reimburse Canon for the difference between the amount paid to Canon under Member's "all risk" insurance policy and the amount of damages incurred by Canon as a result of such loss, theft, or disappearance under the "all risk" insurance policy. Member will promptly notify Canon, and forward Canon a copy of the police report, in the event of loss, theft or disappearance of the RCL Equipment.
9. Member may choose any carrier to return the RCL Equipment to Canon. However, Canon recommends that the RCL Equipment be shipped by rush carrier service such as Federal Express, UPS Blue/Red Label or similar carriers. Failure to return RCL Equipment, and/or pay such invoice, may result in the suspension or termination of Member's membership privileges in the Program, and/or the seeking of legal or equitable relief, in Canon's sole discretion. Member will be responsible, and will reimburse Canon for, all fees

and expenses (including attorneys' fees and expenses) incurred by Canon in connection with seeking such relief.
